Spring Term, Issue 30

## Introduction from the Head of School - Hope

Dear Parents and Carers,

Easter is the most important festival in the Christian calendar. It is both a time of serious reflection and then joy and celebration. We believe that Jesus, the son of God, died in the most agonising of ways to wash away the sins of the world, raising from the dead 3 days later to fulfil prophecies that had been laid out in the old testament

hundreds of years before Jesus' birth. This holiday is therefore a time of renewal and rebirth, and I hope that everyone has the time to do something that enables them to feel refreshed and renewed before we begin the summer term.

During the month of March our school has taken part in the Century Spring Challenge, competing with schools and colleges across the country. During March 1,064 of our students were active on Century, with a total number of 468,490 questions answered by the student body; that's an average of 440.3 questions answered per student during this month. I am delighted to inform you that the school as a whole finished 3<sup>rd</sup> in this national competition. This is a wonderful way of acknowledging the hard work that students have put into their homework in Maths, English, Science, Geography and PE during March, the support given to them by our staff, and the support given to homework by parents and carers. Thank you to one and all.

Over the next month you are going to see some very big changes to our website. Through the support of the governing body, we have employed an external company to look at redesigning our website which has become a little dated over the last few years. The first changes that you will notice is a change to the skin, colours and imagery. Over the following period of time, we will work on updating the materials to ensure we have a new and modern platform for all. This is a natural next step as we build excitement in our new building project.

Thank you for supporting us with the mobile phone policy change this half term; it has been a huge success. Next half term we will re-focus our energy on uniform, please make sure you read the article on page 2 from Mr Sheppard explaining how this will work.

The Spring Term is always an incredibly busy one. There is so much to be proud of as we look back on all we have accomplished. Year 11, 12 and 13 students have completed PPEs and for some students real exams and coursework have been completed as they all gear up for summer exams.

Year 9 students have chosen their GCSE options, whilst both Year 7 and Year 8 parents and carers have had their Parents Evenings. We have also delivered the second of our Cultural Capital days this year, the wonderful school production DNA was performed over 3 consecutive nights, numerous clubs and societies have run, for example our very popular table-top games club on a Wednesday evening, students have won dance and maths awards and our U-18 girls have reached the National final for Basketball. All of this has been built around the day-to-day learning and education that the staff at Holy Trinity have worked tirelessly to deliver.

I would like to offer my thanks and gratitude to our staff for all they have achieved during this busy term.

Thank you for your continued support.

# Uniform

Further to last week's Newsletter, this is a reminder that there will be a focus on uniform after Easter to ensure all students are smartly dressed in line with our school expectations. This is really important to us as a school and it links with our underpinning elements of Dignity and Community; we expect students to wear our uniform with pride.

Please can you use the holidays to rectify any missing items or alert your child's tutor if there are any issues (e.g. something has been ordered but hasn't arrived yet). Please also ensure that students do not get over Easter:

- any piercings (other than what is permitted; a single plain stud in each ear only). Please note this includes nose piercings which are not permitted.
- hair dyed to an unnatural colour
- false eyelashes or nails.

Where the above currently exists, it will need to be removed before the start of school on Tuesday 22nd April. Students will be told to remove anything which is not permitted by our uniform policy and should not be upset if this happens as they have been forewarned.

If a student arrives to school not in full uniform, or breaching our uniform policy because of any of the above, they will either be sent home to change or removed from circulation until a parent/carer can drop correct uniform into the school. Any students who wear, or bring into school, items which are prohibited (e.g. sports tops/hoodies) will have these items confiscated. There will be a consequence for any student who fails to hand over an item for confiscation (like with our mobile phones and accessories policy), or who does not stop to rectify their uniform infringement.

We know that the vast majority of our students already follow our uniform policy each day and these students will continue to be rewarded. Thank you in advance for your support in ensuring our high standards are maintained.

Mr Sheppard  
**Assistant Headteacher**

## Important Notice to All Parents

From 1st April 2025 all branded items of Holy Trinity School uniform can be purchased from Taylor Made Uniforms.

You will no longer be able to purchase ties or blazer badges directly from the school via SCOPAY and Broadbridges/ Trutex will no longer stock our other school branded items.

For your convenience details of the school's uniform requirements can be found [here](#)

# Head Team 2025 - 2026

We are delighted to introduce our new Head Team, pictured here with Mr Berry, Leader of Learning for Key Stage 5, and Reverend Millwood, Executive Headteacher. The Head Team are involved in many events including assemblies and Open Evenings; in areas of school life such as Student Voice and Equality & Diversity; and in charitable fundraising and more. They uphold our ethos of Dignity, Community, Wisdom and Hope. Congratulations to them all!

## Year 12 Work Experience 2025

Year 12 went out on Work Experience the week commencing 24<sup>th</sup> March and we are delighted to say they all returned safely and full of enthusiasm after spending a full week in the workplace. We are particularly proud of this year group, nearly all learners sourced and secured their own placements, and the feedback that we received from employers was superb. More details will be published on our website after Easter.

This focused experience of the workplace now forms an integral part of our 6th form careers programme; the ability to get involved in all aspects of work-related learning is a pivotal point for our learners in developing insights in specific industry sectors. It helps to connect subjects to jobs and career paths, enables learners to practice their employability skills and most crucially, receive feedback on these directly from employers. We want to express our sincere thanks for parents and carers for their support with our work experience programme; so much preparation goes on behind the scenes to ensure that placements run smoothly, we know how valuable your encouragement and patience is.

A huge thank you goes out to the range of employers who have hosted our learners. Without their support and dedication our students would not have had such interesting opportunities to succeed and grow. If you are able to offer a work placement to one of our learners, please do get in touch with us; Year 10 are aiming to go out on placement in July and we are now placing them with local companies and organisations.

*'The students were fantastic! Working hard and working well with our staff'.*

*'Jack was brilliant at motivating students and also leading them in basketball and football matches. The teachers loved working with him and felt he went above and beyond in everything - a future teacher in the making for sure'.*

*The placement has given me a very good insight into the world of work in a warehouse and a workshop. It has grown my interest in aerospace engineering and I'm planning on confidently pursuing my career by going to university to do aerospace engineering to become an aerospace engineer'.*

*'Joe was an absolute credit to his family and his school for the way he conducted himself in a work environment for the week. He was not only polite and courteous, which we expected, but he was forthcoming, proactive and spoke with the authority of a young man beyond his years'.*

## Running the London Marathon to raise money for Pancreatic Cancer UK

Hello everyone. This is Mr Bussens. Most of you will know me as a PE teacher here at Holy Trinity. I just wanted to share my story of how I have teamed up to work with the charity Pancreatic Cancer UK.

Just over 2 years ago, I sadly, and suddenly, lost my dad to pancreatic cancer. My dad was the greatest man I knew, and his loss hit me and my family really, really hard. I'll be honest, I didn't know much about pancreatic cancer, other than it affects the pancreas. He had no symptoms until just before he was diagnosed and was always fit and healthy. Unfortunately, what I came to realise is that once you get diagnosed with this type of cancer, it is often too late. Pancreatic cancer only has a 7% survival rate past 5 years. Sadly for us, my Dad passed away only 6 weeks after being diagnosed. He was only 71. It broke us.

I have made it my mission to raise awareness and money for Pancreatic Cancer UK, a charity that offered me and my family so much support whilst going through the loss of my Dad. So I have teamed up with the charity and I am running the TCS London Marathon this year (next month in fact!) in memory of my dad. I am hoping by fundraising for this incredible charity, we can raise money and awareness and improve the outcomes for those who are diagnosed with this horrible disease.

If anyone was able to donate and help to raise money for Pancreatic Cancer UK, I would be forever grateful for your support.

If you can, please see a link below to my fundraising page:  
<https://2025tcs londonmarathon.enthuse.com/pf/adam-bussens>

Thank you all so much in advance for your support.

**Mr Bussens**

## Prom Praise: Wonder A musical trip through the galaxy

Paul has been invited to play at Prom Praise, at the Royal Albert Hall as he is part of their Youth Orchestra formed last year to provide succession planning as existing All Souls Orchestra members retire, or in this case, following the death of a local member.

Paul is a grade 6 flutist and is doing GCSE Music and is a member of the West Sussex Youth Orchestra.

**Well Done Paul!**

**Mission Statement** - Deeply Christian, open to all. Our mission is to be a deeply Christian inclusive community which values every individual as a child of God.

# Important info...

## Named items of clothing - Uniform, PE Kits, bags etc...

Can we please remind parent's and carers to put their child's name into each piece of school clothing. This will reduce the risk of items being taken by mistake, and although your child may misplace things from time to time, items that are labelled with a name stand a much higher chance of being returned.

## Water Bottles

We would like to remind parent's and carers to send their child/ children into school with a refillable water bottle. There are an increasing number of students arriving to first aid and requesting paper cups for water, however these cups are only stocked for first aid purposes.

There are water fountains in various locations around the school where students can refill their water bottles before school and during first and second break. Thank you for your support.

From Monday 7th October there will be a new link in the Parents Section of the school website that will allow parents to submit

changes of contact details for students and family members. The form will allow parents to submit changes to emails, addresses, phone numbers, or names.

Link: [Change of Contact details form](#)

**SCOPAY** Consent and payment for all school trips and events needs to be via [SCOPay](#) as the school is going paperless/cashless. If any parents/carers don't have an account or are having issues with logging in, please email:

[tripsandevents@holytrinitycrawley.org.uk](mailto:tripsandevents@holytrinitycrawley.org.uk) for assistance.

Can we please remind parents to install the Classcharts app and to check it daily. You can monitor your child's attendance, behaviour, detentions, homework or generic issues.

Please contact Mrs Digan via email if you need access to this: [sdigan@holytrinitycrawley.org.uk](mailto:sdigan@holytrinitycrawley.org.uk)

## NHS Website Studybugs App

Academic progress is directly linked to school attendance. Students with a lower attendance are less likely to perform as well as their peers, they are also less likely to achieve the grades needed for university or further education. With this in mind, we wanted to outline our school attendance expectations to help you make an informed decision when your child is unwell.

We expect students to attend school if they have a headache, stomachache, cold or period pain as these are minor illnesses and should be manageable with pain relief. We will contact you if we feel your child is too unwell to remain in school. Please visit the [NHS Website](#) if you are unsure whether to keep your child at home.

If you need to report your child as absent through illness, please use the [Studybugs App](#)

## Potential Hospital Visit

We are looking to connect with parents and carers that work in local hospitals and medical facilities. We are interested in organising future school trips to further the opportunities and experiences of our students. If you are able to help, please contact:

## ALLOTMENT APPEAL

Welcome to the school's allotment that the Alternative Provision Team are working on right now. We are asking for donations of tools and would be really grateful if anyone had any of the following items they could donate to us:

Wheelbarrow  
Sheers  
Gloves  
Shovel  
Seeds  
Soil  
Welly Boots  
Watering Cans

## School Rebuilding Project

Following the consultation for the School Rebuilding Project held on Wednesday 5th of March, we'd like to encourage all parents & carers to provide feedback on the proposal.

If you weren't able to attend the consultation or would like to find out more, information about the plans for the new school building as well as an electronic feedback form can be found [here](#).

# Special Educational Needs & Disabilities

The Government is creating a new ten-year National Youth Strategy to tackle the challenges for this generation of young people and ensure that every young person can thrive. The National Youth Strategy will bring power back to young people and their communities and improve youth focused services, moving away from a one-size-fits-all approach.

Please encourage and support young people aged 10-21 (aged 25 with SEND) to shape this once in a generation strategy.

The survey runs until 16<sup>th</sup> April. If the young person is under 16, they will need a parent or guardian to start the survey off.

# Attendance

## For All Student Absence including Medical Appointments:

Parents/Carers are politely requested to notify the school of your child's absence using the Studybugs app no later than **8.00am** on the day your child is absent from school. If you do not have internet access, please call the schools main number on **01293 423690** (and select option 1) to report your child's absence.

In order for us to correctly code your child's absence from school, we require the following information: your child's full name, form group, and a brief reason as to why they are absent. Please also include, if your child has permission to make their own way home or if they will be collected. This helps to assist our Reception team.

If your child is absent from school and we have not received notification from you, the school will send you an absence email requesting your response. It is imperative that you keep the school informed at all times if your child is going to be absent.

**Medication in school:** Paracetamol can be administered for minor ailments during the day. If this is before 12pm, a phone call home will be required to gain verbal parental permission. Please note only one dose is permitted to be administered during the school day. If Ibuprofen is required, a phone call home to gain verbal parental permission will now be required at all times. Antihistamine will no longer be given for Hay fever as per West Sussex County Council regulations, please ensure if your child requires Antihistamine for Hay fever, they are given this before school. If your child needs any other medication, this must be prescribed by a GP, be in its original packaging and include the Patient Information Leaflet and the consent forms completed and returned to First Aid.

Consent forms for medication can be obtained:

- From the First Aid room
- By sending an email to [medical@holytrinitycrawley.org.uk](mailto:medical@holytrinitycrawley.org.uk)

## Eating Disorder Support - Shout 8258

Shout 8258, is a free and confidential text messaging support line for people struggling to cope. The digital service, has issued new guidance on the issue of eating disorders. Eating disorders are recognised by the NHS as a 'mental health condition where you use the control of food to cope with feelings and other situations'. Recognising an eating disorder is the first step towards healing and regaining balance. There are various types of eating disorders, including Anorexia Nervosa, Bulimia, and Binge Eating Disorder. However, some individuals might not fit into these categories and instead experience Other Specified Feeding or Eating Disorders (OSFED) or ARFID (Avoidant Restrictive Food Intake Disorder), which is more common among individuals with autism. Understanding these different experiences helps us better support those going through these challenges. If interested in finding out more, please visit their [website](#)

## Exam Self Care - Young Minds

We all know that exams are extremely challenging, not only because of what we have to learn, but also because they can affect our mental health. We're told to take regular breaks, but some find it hard to know how best to use them. Exam pressure is a rich topic for which there is plenty of advice. However, much of this advice focuses on study techniques to memorise exam topics. The reality is that much of the most vital revision is executed when one is not revising. Sometimes this aspect of revision can be more important than the active element. If interested in finding some top tier self-care tips to share with your class, please follow the link: [Young Minds Exam Self Care](#)

**Mission Statement** - Deeply Christian, open to all. Our mission is to be a deeply Christian inclusive community which values every individual as a child of God.

**Vision statement** - A centre of excellence for learning inspired by Christian values where every person in our school community fulfils their potential.

This week in our collective worship we celebrated the achievements of our students through our Celebration of Success. A number of certificates were handed out along with chocolates for those who had attained at the highest level. All in all, a wonderful effort from a large number of our school community!

For your interest:

Christian Union continues every Wednesday in the chapel at second break. We are also looking to run 'Youth Alpha' in the summer term in partnership with St Johns Church, Crawley

On Thursday 27th March, we sat down with a number of our students and staff to celebrate Iftar. We had around 50 people attend and there was an abundance of food. Thank you to all who came and all who contributed to a wonderful evening!

Lighthouse continue to run a Thursday club at first break in the chapel. We always have a large number wishing to attend and have to turn away so many which is a pity! There are activities, drinks/ice lollies and lots of wonderful conversations!

As we approach the Easter holidays, we wish everyone connected with our school community a wonderful break (if you can get one!) At this time of the year, my faith reminds me of God's love and sacrifice for all mankind and the verse below challenges me to stop and reflect on what I believe to be the ultimate display of love from God to his creation
