Summer Term, Issue 41

Introduction from the Head of School Deeply Christian, Open to All

Dear Parents & Carers,

This week has been dominated by our preparations for the annual Celebration of Success. Many of us gathered on Wednesday evening at the Hawth to celebrate the character of our students and how they exemplify the school's underpinning elements of Dignity, Community, Wisdom and Hope. We were delighted to have been joined by the Rt Reverend Bishop Ruth Bushyager as our guest speaker who talked passionately about the role of character in everyone's lives. Bishop Ruth is an inspirational leader and the first ordained female Bishop within the Diocese of Chichester.

The students were the stars of the evening. Students were awarded certificates on stage for their demonstration of living out our core values and many students were able to demonstrate their skills and talents in a variety of different disciplines, including art, music, drama and poetry. The final act was particularly inspirational as a group of talented musicians, representing several year groups, backed by a key stage 3 choir performed the first performance of a song they had written about the Nicene Creed. The Nicene Creed is a summary of the core Christian beliefs used in worship. To see this put to song and music was truly wonderful and had Bishop Ruth on her feet applauding. Bishop Ruth has already written a wonderful letter back to us. I include an excerpt from this; "May I thank you for having me as your guest speaker and to present the awards last night. I knew it would be a privilege, but I was not expecting it to be such a joy! What a tremendous evening showcasing the talents of the school and recognizing so many students for their contribution and character".

Inside this week's edition, read all the exciting stories from the Cultural Capital Days that took place on the 3rd and 4th of July. Reading these pieces reminded me of why we have designed these curriculum opportunities, none more so than an inspirational piece written by a student in Year 8 reflecting on their time at Deer's Leap.

Students in Year's 7-10 have their sports days next week. Please make sure you refer to the notice on page 2 as well as different year group letters about these special days. The weather will be hot next week so please ensure your child comes to school with a water bottle, and they stay hydrated, especially on the day they are taking part in sporting activities. I would like to draw your attention to the very helpful advice from West Sussex Services for Schools about summer safety tips [here](#).

Next week our Year 10 students are at their Work Experience placements. Students continually remind me that education is motivational and inspirational when it is linked in to the 'real world'. Our students want to know why studying something will help them in the workplace. Next week provides our students with an insight into the world of work. This will highlight the importance of literacy, numeracy, the skills learnt in the different classrooms around the school and most importantly the worldly significance of the character education they receive here at HTS.

We also continue to prepare for our annual Cultural Diversity Day on Monday 21st July where everyone in our school community will be invited to wear clothing that represents their culture. Please refer to additional guidance about this. Thank you for your continued support.

Important info...

From Monday 7th October there will be a new link in the Parents Section of the school website that will allow parents to submit changes of contact details for students and family members. The form will allow parents to submit changes to emails, addresses, phone numbers, or names.

Named items of clothing - Uniform, PE Kits, bags etc...

Can we please remind parent's and carers to put their child's name into each piece of school clothing. This will reduce the risk of items being taken by mistake, and although your child may misplace things from time to time, items that are labelled with a name stand a much higher chance of being returned.

Water Bottles

We would like to remind parent's and carers to send their child/ children into school with a refillable water bottle. There are an increasing number of students arriving to first aid and requesting paper cups for water, however these cups are only stocked for first aid purposes.

There are water fountains in various locations around the school where students can refill their water bottles before school and during first and second break. Thank you for your support.

SCOPAY Consent and payment for all school trips and events needs to be via [SCOPay](#) as the school is going paperless/cashless. If any parents/carers don't have an account or are having issues with logging in, please email: tripsandevents@holytrinitycrawley.org.uk for assistance.

Can we please remind parents to install the Classcharts app and to check it daily. You can monitor your child's attendance, behaviour, detentions, homework or generic issues.

Please contact Mrs Digan via email if you need access to this: sdigan@holytrinitycrawley.org.uk

NHS Website Studybugs App

Academic progress is directly linked to school attendance. Students with a lower attendance are less likely to perform as well as their peers, they are also less likely to achieve the grades needed for university or further education. With this in mind, we wanted to outline our school attendance expectations to help you make an informed decision when your child is unwell.

We expect students to attend school if they have a headache, stomachache, cold or period pain as these are minor illnesses and should be manageable with pain relief. We will contact you if we feel your child is too unwell to remain in school. Please visit the [NHS Website](#) if you are unsure whether to keep your child at home.

If you need to report your child as absent through illness, please use the [Studybugs App](#)

Uniform Pop-Up Shop

Taylor Made Uniforms will be onsite on Monday 4th August from 5:00pm—7:00pm for any parents wanting to purchase uniform.

If you need any uniform for the start of term in September, please come along and see the team at the pop-up shop.

Alternatively, uniform can be ordered online via the Taylor Made website [here](#)

GCSE & A-Level Art & Photography will be available for collection after October half-term 2025 from 3rd November 2025 until 18th December 2025.

Please email Ms Pantall to arrange a time and date for collection: apantall@holytrinitycrawley.org.uk

REMINDER—Work Experience – Year 10

Holy Trinity is delighted with the level of enthusiasm students have taken towards their work experience placements which take place next week - Tuesday 15th - Friday 18th July.

On Monday 14th July students will attend an extended assembly to prepare for their placements on Tuesday. They will be provided with a brief overview of the Health & Safety and 'what to expect' information covered in their recent Reach lessons.

All students have received an individual email with details of their work experience placement.

For the small number of students who will be remaining on-site not engaged in an off-site placement, they will be expected to attend school as normal. Students will engage in planned WEX activities on-site, this includes a Virtual WEX programme. Students will need to register in the LRC at 8.45am with Mr Simpson-Smith.

Please do contact me SBunce@holytrinitycrawley.org.uk or Miss McMenamin (Careers Lead) lmcmenamin@holytrinitycrawley.org.uk with any questions or on 01293 423690.

Brighton Sea Life Centre, Ice Creams and Seagulls!!

On Thursday and Friday last week, the whole of Year 7 travelled down to Brighton to spend a fun filled day on the sea front. The students explored the magical Sea Life Centre and got to see creatures of all shapes and sizes that live beneath the surface.

We then re-energised with lunch on the beach and despite the constant warnings from the teachers for students to cover their food from the pesky seagulls, Mr Bussens and Mrs Stuart both had their sandwiches snatched out of their hands.....oh dear! After lunch, the students had an all important ice cream, and then after a walk along the bustling lower promenade to see the towering i360, it was time to head home.

The weather was extremely kind to us. The students were exceptional in their attitude, behaviour and how they represented the school...even if some students did get ice cream all over their face! A lovely day had by all.

- Mr Bussens

Hever Castle

Year 7 students recently enjoyed an educational trip to Hever Castle, immersing themselves in the rich history of the Tudor era. They explored the magnificent castle and its stunning grounds, gaining insights into the lives of historical figures.

Inside the castle, students marvelled at the impressive collection of Tudor portraits, the grand dining hall, and the beautifully preserved bedrooms. They also learned about the fascinating history of Anne Boleyn, who once called Hever Castle her home.

The students' exemplary behaviour did not go unnoticed, earning them praise from the public and staff alike. This trip not only enhanced their historical knowledge but also showcased their respect and enthusiasm. Well done, Year 7, for making this trip a memorable and commendable experience!

- Mr Forster

The Deers Leap residential, whilst on the surface is a great way to experience the outdoors and spend a night under the stars, for some of our students we were giving them an opportunity to attach a new meaning to camping. The following is the point of view from one of our students, who before moving to the UK spent 3 years living in a camp in Diego Garcia.

"When our boat left India to start our 60 day journey to Canada, I was full of excitement and hope. My parents promised me and my brothers a new world, a fresh start, new opportunity. However when our boat, occupied with 38 other people, experienced a fault 2 days in, we found ourselves stuck on an island. Days became weeks, weeks became months, before I knew it we were there for 3 years. Camp was a prison. 16 people in a military tent, not to provide a home, but withstand the storms, the excess heat and the rain. It couldn't keep out the animals, large rats would crawl over my face. Insects in every corner. No space to breathe. No space to be alone. This wasn't a place to be happy, this wasn't a place to be a child. So when I was told I would be going camping again, I was apprehensive. If it rained, would it flood? Would the animals reach me again? I thought I had escaped. I hadn't anticipated to feel joy. I had my friends around me in a tent with only 5 others. I had never climbed a tree before, but here I climbed rocks. I was on top of the world. I laughed as my friends fell into the lakes and got wet and felt safe with the adults around me. I knew everyone was there to help me. Although people complained about the food, I was grateful to share a meal with my peers. The animals couldn't get me, the weather wasn't going to destroy our shelter, I could push my boundaries. I didn't know I could be this brave. If you get the chance to go to Deers Leap next year, you will have a wonderful time. These are the memories I cherish now about camping, an experience I will never forget, unlike before".

Looking back, the residential is more than just a journey into the woods, this year it was an opportunity for healing and to find peace in nature. Before this adventure someone in our community had a lost sense of belonging, something they didn't realise was missing but was now found. The experience reminded me that dignity is not something to be granted, but something to be reclaimed; that wisdom often grows in silence; and that hope, even when fragile, can take root in the most unexpected places. In the embrace of community, she learned that everyone, regardless of where they begin, has the potential to flourish.

A Fantastic Day Out to the i360 in Brighton!

Last week, our students enjoyed a truly memorable day trip to Brighton, travelling in style by train and making the most of the summer sunshine. Spirits were high as we arrived at the coast, greeted by clear blue skies and the refreshing sea breeze.

The highlight of the day was our visit to the Brighton i360. The excitement built as we ascended in the glass viewing pod, and the panoramic views did not disappoint. From the top, students marvelled at the stunning scenery, spotting landmarks across the city, the sparkling sea, and the rolling South Downs.

Afterwards, we spent time exploring the famous pebbly beach, where students skipped stones, tucked into ice creams, and enjoyed some well-earned relaxation by the water.

It was a wonderful day of learning outside the classroom, filled with laughter, awe-inspiring sights, and sunshine. A big thank you to all the staff who helped make the trip such a success – and to the students for making it so enjoyable!

- Mr Hunt

Wimbledon Championships

A group of selected Year 9 students had the unforgettable opportunity to attend the world-renowned **Wimbledon Championships**—an experience that brought the excitement of professional tennis to life in the most iconic setting. From the moment we stepped onto the sunny grounds of the All England Lawn Tennis Club, the buzzing atmosphere had us all gripped. Students were thrilled to witness live matches featuring some of the sport's biggest stars, soaking in the intensity, skill, and sportsmanship that Wimbledon is famous for.

Beyond the matches, the group explored the historic grounds, enjoyed traditional strawberries and cream on Henman Hill, and even caught glimpses of players warming up. For many, it was their first time attending a major sporting event, and it certainly left a lasting impression. The trip was not only a celebration of sport but also a valuable educational experience, highlighting the importance of discipline and perseverance.

A huge thank you to Mr Bussens who organized the tickets. And of course, well done to our students for representing the school with such enthusiasm and respect.

London Dungeons

Last week, two-hundred year 9 students had the opportunity to be scared senseless by the darker side of London's past; both fictional and historical. Catching the train up to London, our students got to experience a short trip on the tube before stopping for lunch underneath the London Eye. After a brief wait on London's South Bank (and with a great view of the Houses of Parliament and Big Ben), our students began their adventure deep into the London Dungeons!

First met by Guy Fawkes and his explosive plot, we then got to experience some rather disturbing medical practices performed during the plague. After this we got quickly ushered into a small chamber with a woman standing trial for being a witch. Despite her many protestations against being a witch, she quickly revealed herself to be magically skilled at scaring many year 9 students and even a few staff members who got too close. The rest of the terrifyingly brilliant experience had our students coming face to face with Sweeney Todd, and his barber's razor, before being chased away by Jack the Ripper towards an exciting "Drop Dead" ride that, once fully strapped in and secured, suddenly dropped the students 10 metres before being freed and released back into London.

Despite many brave faces, I believe the Dungeons left our students a little frightened of London's history while entertaining them thoroughly with the brilliance of the actors and all they got to see!

- Mr Dudley

London Zoo

Year 9 had an exciting and educational trip to London Zoo. On arrival at Regent's Park, the students were eager to explore the zoo and take photos at the iconic entrance.

Inside, they visited a wide range of animal habitats, from the Rainforest Life exhibit to the Land of the Lions. A standout moment of the day was seeing the baby gorillas in the Gorilla Kingdom. The students were captivated by the young gorillas' playful behaviour and enjoyed learning about their development and the zoo's conservation efforts.

Throughout the visit, the students showed great curiosity and respect for the animals. Their excellent behaviour and enthusiasm made the day both enjoyable and informative. It was a memorable experience that deepened their understanding of wildlife and the importance of protecting endangered species.

- Mrs Holton

Outernet Immersive Arts Centre

Outernet London is a state-of-the-art cultural and media destination nestled near Tottenham Court Road—an immersive venue that blends huge digital screens with interactive installations.

During the sixth form visit, we were encouraged not just to watch but to *interpret*. Each digital artwork prompted us to consider broader questions—about identity, society, and technology.

This wasn't surface-level entertainment—it was an invitation to dig deeper, to analyse, to question. The sheer scale of the visuals—cascading across floor-to-ceiling screens—and the surround-sound audio instantly pulled us into other worlds.

We wandered through interactive light installations and felt stories projected all around us. Everything from the moving visuals to the ambient sound blended to dissolve the boundaries between observer and experience. Outernet London wasn't just a visit—it was a provocative, immersive experience designed to make us think deeper about how we engage with media, art, and ideas in our digital age.

Attendance

For All Student Absence including Medical Appointments:

Parents/Carers are politely requested to notify the school of your child's absence using the Studybugs app no later than **8.00am** on the day your child is absent from school. If you do not have internet access, please call the schools main number on **01293 423690** (and select option 1) to report your child's absence.

In order for us to correctly code your child's absence from school, we require the following information: your child's full name, form group, and a brief reason as to why they are absent. Please also include, if your child has permission to make their own way home or if they will be collected. This helps to assist our Reception team.

If your child is absent from school and we have not received notification from you, the school will send you an absence email requesting your response. It is imperative that you keep the school informed at all times if your child is going to be absent.

The Government is creating a new ten-year National Youth Strategy to tackle the challenges for this generation of young people and ensure that every young person can thrive.

The National Youth Strategy will bring power back to young people and their communities and improve youth focused services, moving away from a one-size-fits-all approach.

Please encourage and support young people aged 10-21 (aged 25 with SEND) to shape this once in a generation strategy.

Suicidal Thoughts in Young People - Papyrus

It is not uncommon for young people to experience emotional distress or turbulence as they navigate adolescence. However, any talk of hopelessness, self-harm, or suicide should never be dismissed or minimised. Suicidal thoughts are a clear indication that a young person is struggling and needs support.

Recognising the signs can be difficult. Changes in behaviour, withdrawal from others, or increased risk-taking may signal deeper concerns. It's vital to create a safe, non-judgemental space where pupils feel able to talk. These conversations can be uncomfortable, but they can also be life-saving. Papyrus, a national charity dedicated to preventing suicide in young people, offers practical advice on how to take these concerns seriously and respond appropriately.

Parent and Carer Digital Safety Newsletter

Online influence and dangers to young people

Following the Netflix drama Adolescence, it's clear that young people today are growing up surrounded by toxic online influencers on social media that portray reality and the treatment of women and girls in an alarming manner.

What can parents do?

- Firstly, familiarise yourself with what your child is looking at on the internet. It is useful to familiarise yourself with terms and email language. CC21 has a useful glossary of terms. Like, troll, bait, cheat, lookmaxxing which can help understanding of the culture online.
- Being familiar with the most common platforms and understanding how your children engage with them. For example, do they post regularly, share content, how long of friends/followers?
- Talk to your child about what they are engaging with online and how it makes them feel.

Have conversations with your children about the risks and chat forums they visit. Their views may be attached to their identity, and attacking the views may feel personal. This is called 'doxxing' and although you may not change their mind immediately, making them into uncertainty is a positive start.

Explain to your children about age appropriateness and help them understand how they can change algorithm 'bubbles' if they feel they are seeing too much of a particular kind of content.

Teach your child to block, mute, unfollow, and report content that makes them feel uncomfortable.

If you are concerned your child is being harassed or negatively influenced online, report it to the Police.

Mission Statement - Deeply Christian, open to all. Our mission is to be a deeply Christian inclusive community which values every individual as a child of God.

Vision statement - A centre of excellence for learning inspired by Christian values where every person in our school community fulfils their potential.

This week in our collective worship, our Student Council addressed our school community on what they do and how our students would go about joining them. They reminded our students that everything they discuss is always passed on to the Senior Leadership of the school for their consideration. It was lovely to see a large group of our students step up and present to our school.

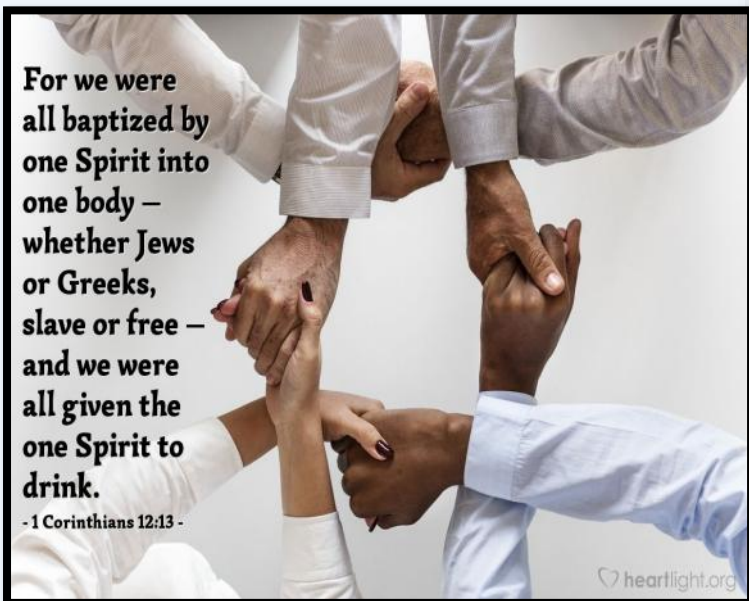

On Friday 11th July, I will be taking 9 students to All Saints Primary School in Horsham to talk about Christianity and Hinduism. They will be working with Years 3, 4 and 5 and will present by talking to the students about their personal faith, answering questions and then helping them with their worksheets. Full report to come..

Lighthouse continue their club on a Thursday first break in the chapel. Come along for activities and ice lollies...

For we were all baptized by one Spirit into one body – whether Jews or Greeks, slave or free – and we were all given the one Spirit to drink.

- 1 Corinthians 12:13 -

A reminder that in September, we start a Youth Alpha course in school in conjunction with Church Crawley. 10 weeks starting from 17th September. This is an opportunity to hear about God and ask questions in a safe space. All welcome...

Verse of the week

Acts 2: 44-47

'All the believers stayed together. They shared everything. They sold their land and the things they owned. Then they divided the money and gave it to those people who needed it. The believers met together in the Temple every day. They all had the same purpose.'
