FOOD

Catering is taken care of by our staff although we actively ask for student's participation where appropriate in cooking and involve them in meal duties that consist of laying tables clearing away and washing up. Specific dietary requirements can be catered for as long as we have notice of this at time of booking. Lunch is generally a packed lunch that is made by the student's for themselves each morning albeit supervised by staff.

INFORMATION WE NEED

- ♦ **Consent** (your school will collect this)
- ♦ **Medical info** (and anything else that will help keep your child and the group safe)

We have never said we cant take a pupil on an Adventure because of information disclosed to the school.

- ♦ **Dietary / Allergen information**

All our food is prepared and cooked by a [Little Tums](#) in Brighton, an [award-winning](#) catering firm that specialises in catering for children in schools, nurseries and residential trips.

We order specifically for your needs so it is important that we know any Dietary / Allergen information **1 month in advance**.

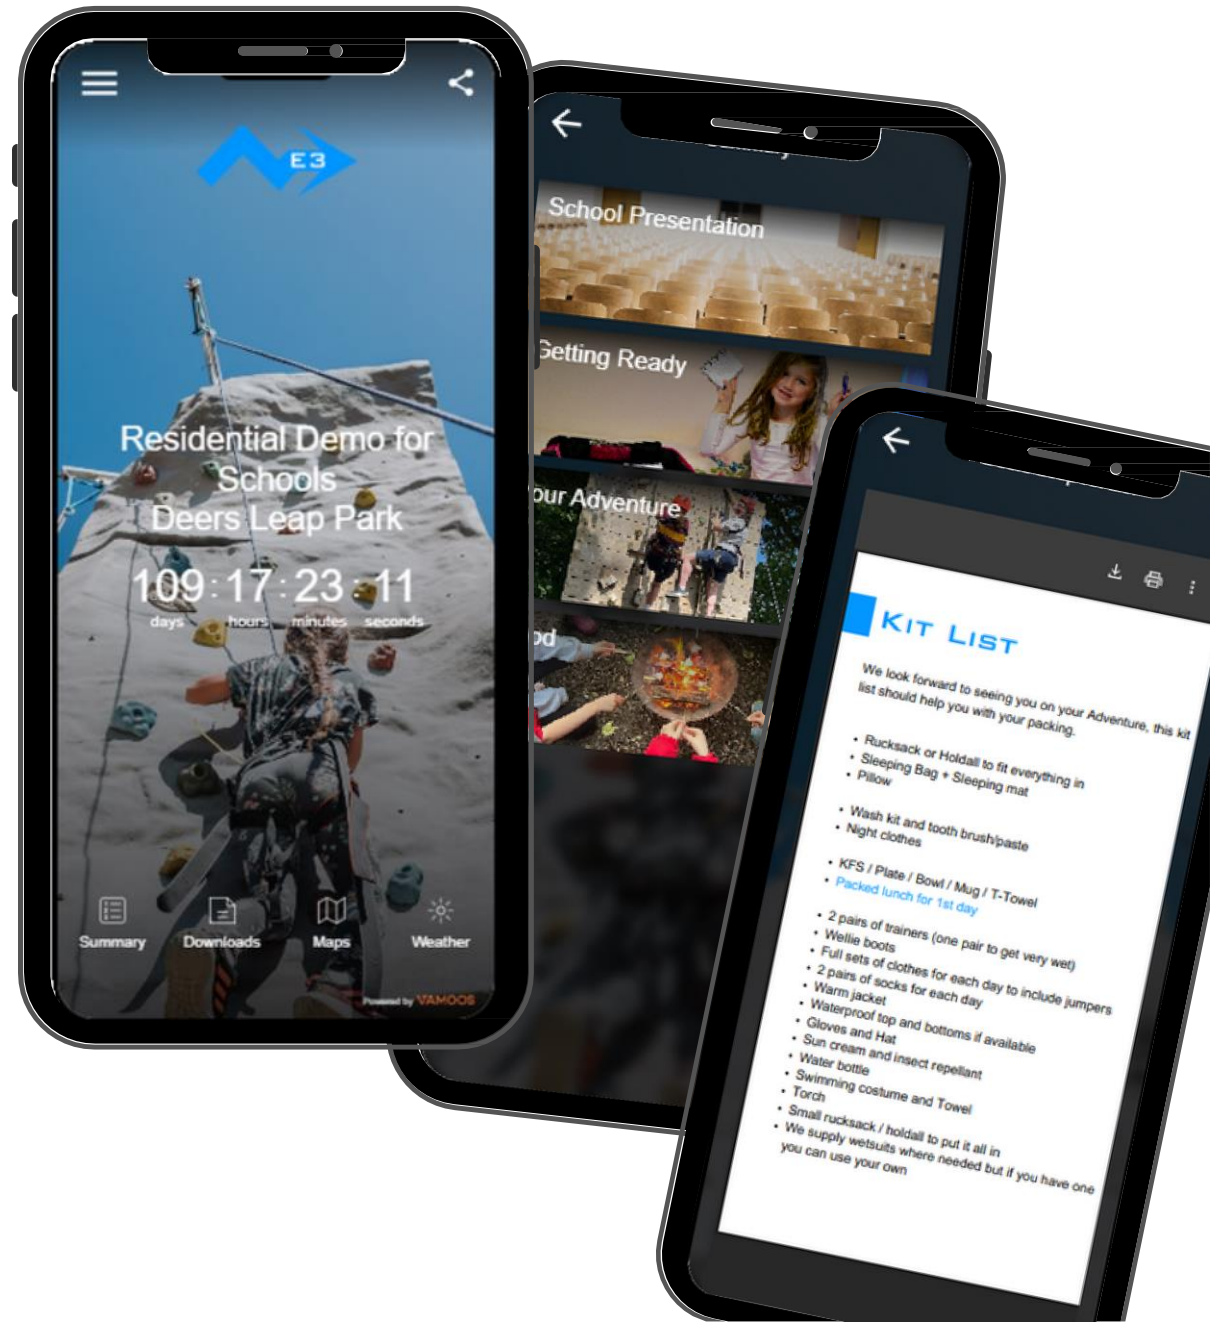

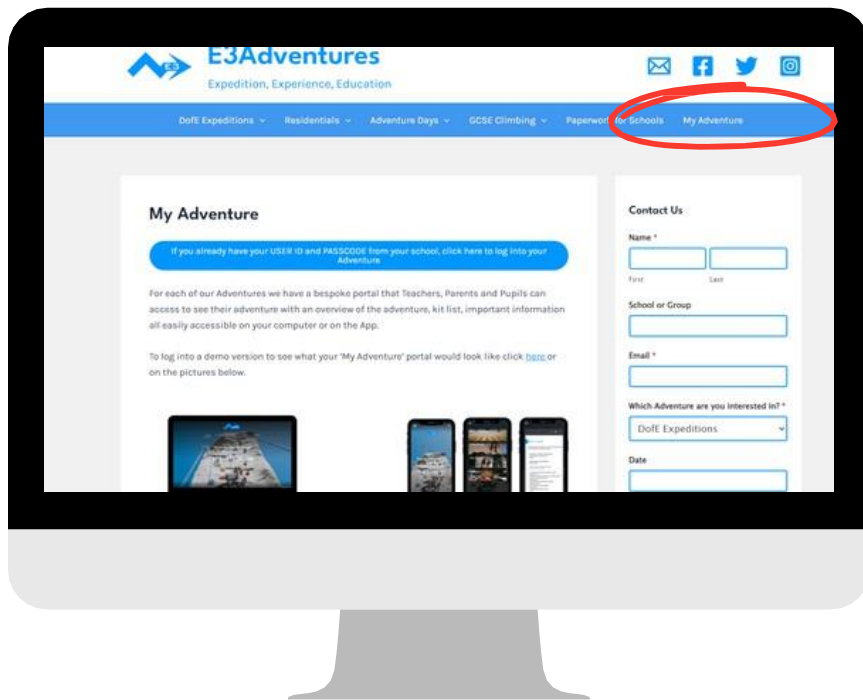

Catering at camp is NOT Buffet or A la carte - there is plenty of food for everyone but there is not a buffet to choose from.

'MY ADVENTURE' PORTAL AND APP

Every Adventure has its own bespoke online portal that you can view on your computer or download the APP ([see demo here](#))

On the portal/App there are:

- Links to the website
- A copy of this presentation
- Addresses / Locations
- Live weather updates
- Kit list and help with packing
- Information about the site
- Dietary information / Menus etc
- Information about the activities

Timings

Thursday 2nd July we will depart at 9am so you should aim to arrive at school for 8:40am with your kit.

Friday 3rd July we will aim to return to school for 3:15pm where your child will be released back into your care.

Are there alternatives?

This trip is the only trip on offer for Year 8 in July and forms part of our curriculum offer; therefore, it is expected that all students attend this trip.

At the end of the meeting we can have a discussion about individual cases.

Reminders

This trip will operate as a **no-mobile-phone** visit.

Behaviour expectations remain consistent with those required in school.

If there are any **issues regarding the kit list**, please speak to your tutors.

The **total cost of the trip is £165**, for which we are requesting voluntary contributions. This covers all costs except lunch on the first day.

A **£65 deposit** is requested by the end of January, with further payments due in March and May.

Payments and consent should be completed via **SCOPAY**.

For enquiries, please contact tripsandevents@holytrinitycrawley.org.uk.

Additional information regarding **health requirements** will be provided in future correspondence.
