Vision Statement: Our vision is to be a centre of excellence for learning, inspired by Christian values, where every person in our school community fulfils their potential.

Mission Statement: Our mission is to be a deeply Christian inclusive community which values every individual as a child of God.

Values Statement: The school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith and promotes Christian values through the experience it offers to all its students.

Dignity Underpinning all that we do is the core belief in the ultimate worth of each person as a child of God – precious, valued and loved by God. Dignity comes from the knowledge of our ultimate worth as human beings.

Community Having understood our value as individual human beings, we express this value through the quality of the relationships that we share with each other. Community, living well together, is of very great importance to us as a school, as is the place we each take in the wider community locally, nationally and internationally.

Wisdom As a school we seek to foster confidence, delight and discipline in seeking wisdom, knowledge and truth. This is achieved through the nurturing of academic habits and skills, emotional intelligence, resilience and creativity across the breadth of the curriculum.

Hope As we prepare our students for the future, we look to open up horizons of hope and aspiration, encouraging our students to embrace these with confidence and sending them out to make a difference to the world in which they live.

1. Aims

The school aims to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the early career framework (ECF) from 1 September 2021
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme

2. Newly qualified teacher (NQT) induction transitional arrangements

This is no longer a consideration as all Newly Qualified Teachers will now begin a two-year ECT program as the NQT program is no longer running and the date has now passed for any staff who had started an NQT year to complete it. They will now need to complete the ECT program

3. Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance [Induction for early career teachers \(England\)](#) from 1 September 2021
- The [Early career framework reforms](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)

The 'relevant standards' referred to below are the [Teachers' Standards](#).

This policy complies with our funding agreement and articles of association.

4. The ECT induction programme

The induction programme will be underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF.

Prior to the ECT serving their induction, the headteacher and appropriate body must agree that the post is suitable.

For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.

The programme is quality assured by Xavier/Teach First for Year 1 ECTs our 'Appropriate Body' (AB)

4.1 Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have an appointed induction mentor, who will have QTS
- Have a reduced timetable to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

4.2 Support for ECTs

We support ECTs with:

- Their designated induction tutor, who will provide day-to-day monitoring and support, and co-ordinate their assessments
- Their designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

4.3 Assessments of ECT performance

ECTs will have Progress Reviews at the end of each term which are linked to their formal observation for that term. These will be led by the Professional Tutor or a senior member of staff.

Formal assessment meetings will take place in the final term of the ECT's first year (term 3) and the final term of their second year (term 6), and will be carried out by the ECT's induction tutor or a senior member of staff (Assistant or Deputy Headteacher).

These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the ECT and the appropriate body.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT.

A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or headteacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

4.4 At-risk procedures

If it becomes clear that an ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- Xavier will be contacted by the Professional Tutor and the ECT will begin a 2-week Support Plan led by the school using Xavier's documentation. If the ECT makes good progress, then they are taken off the Support Plan. If they have not, then the support plan can continue for another two weeks. This can roll-on until the Professional Tutor decides that the ECT is not responding to the Support Plan by not making enough progress against their targets
- If a Support Plan is failed, then the ECT will move to a Cause for Concern Plan. Xavier will visit to observe the ECT and set targets for this plan. If the ECT makes good progress on the Cause for Concern Plan, then they can move back to the Support Plan.

If they have not, then the Cause for Concern Plan will continue for another two weeks. This can roll-on until the Professional Tutor and Xavier decide that the ECT is not responding to the Cause for Concern Plan by not making enough progress against their targets

- If a Cause for Concern Plan is failed, then the school will begin its own Supportive Intervention procedure in line with the Staff Handbook

If an ECT is not making enough progress on the above plans at the point of a end of term progress review, then this will be indicated.

An ECT can fail their ECT course if they have not responded to the Xavier Support Plan, the Xavier Cause for Concern plan and all the school's own internal supportive and capability measures by the time they reach the end of the two-year ECT program.

5. Roles and responsibilities

5.1 Role of the ECT

The ECT will:

- Provide evidence that they have QTS and are eligible to start induction
- Meet with their induction tutor at the start of the programme to discuss and agree priorities, and keep these under review
- Agree with their induction tutor how best to use their reduced timetable allowance and guarantee engagement with their ECF-based induction
- Provide evidence of their progress against the relevant standards
- Participate fully in the monitoring and development programme
- Participate in scheduled classroom observations, progress reviews and formal assessment meetings
- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period
- Keep copies of all assessment reports

When the ECT has any concerns, they will:

- Raise these with their induction tutor as soon as they can
- Consult with their contact at the appropriate body at an early stage if there are difficulties in resolving issues with their induction tutor or within the school

5.2 Role of the headteacher

The headteacher will:

- Check that the ECT has been awarded QTS and whether they need to serve an induction period
- Agree, in advance of the ECT starting, who will act as the appropriate body

- Make sure the ECT's post is suitable according to statutory guidance (see section 4.1 above)
- Make sure the induction tutor is appropriately trained and has sufficient time to carry out their role effectively
- Make sure the induction mentor is appropriately trained and has sufficient time to carry out their role effectively
- Maintain and keep accurate records of employment that will count towards the induction period
- Make the governing board aware of the support arrangements in place for the ECT

5.3 Role of the induction tutor

The induction tutor will:

- Notify the appropriate body when an ECT is taking up a post and undertaking induction
- Make sure an appropriate ECF-based induction programme is in place
- Make sure the ECT's progress is reviewed regularly, including through observations and feedback of their teaching
- Make sure that formal assessments are carried out and reports completed and sent to the appropriate body
- Maintain and keep accurate records of employment that will count towards the induction period
- Make sure that all monitoring and record keeping is done in the least burdensome and most streamlined way.
- Provide guidance and effective support to the ECT (with the appropriate body where necessary)
- Carry out regular progress reviews throughout the induction period
- Undertake 2 formal assessment meetings during the induction period, coordinating input from other colleagues as appropriate
- Carry out progress reviews in terms where a formal assessment doesn't occur
- Inform the ECT following progress reviews of their progress against the relevant standards, and share records with the ECT, headteacher and relevant body
- Inform the ECT during the formal assessment meeting of the judgements to be recorded on their formal assessment record and invite the ECT to add their own comments
- Make sure that the ECT's teaching is observed and feedback is provided
- Make sure the ECT is aware of how they can raise concerns about their induction programme or their personal progress, both within and outside of the school
- Take prompt, appropriate action if the ECT appears to be having difficulties

- Make sure that all monitoring and record keeping is done in the least burdensome way, and that ECTs are not asked for any evidence that requires the creation of new work
- Make a recommendation to the appropriate body on whether the ECT's performance against the relevant standards is satisfactory
- Participate in the appropriate body's quality assurance procedures of the induction programmes
- Keep all relevant documentation, evidence and forms on file for 6 years

5.4 Role of the induction mentor

The induction mentor will:

- Regularly meet with the ECT for structured mentor sessions to provide targeted feedback
- Work with the ECT, and colleagues within the school who are involved in the ECT's induction, to help make sure the ECT receives a high-quality ECF-based programme
- Provide, or arrange, effective support – including subject-specific, phase-specific, coaching and/or mentoring
- Act promptly and appropriately if the ECT appears to be having difficulties

5.5 Role of the governing board

The governing board will:

- Make sure the school complies with statutory guidance on ECT induction
- Be satisfied that the school has the capacity to support the ECT
- Make sure the headteacher is fulfilling their responsibility to meet the requirements of a suitable induction post
- Investigate concerns raised by the ECT as part of the school's grievance procedures
- If it has any concerns or questions, seek guidance from the appropriate body on the quality of the induction arrangements and the roles and responsibilities of staff involved in the process
- If it wishes, request general reports on the progress of the ECT on a termly basis

6. Monitoring arrangements

This policy will be reviewed **annually** by the Professional Tutor. At every review, it will be approved by the full governing board.
